GET READY FOR SPRING!

TAKE ADVANTAGE OF OUR GUARANTEED PRESEASON PLANTER MAINTENANCE PROGRAM

2%...3% even 6% improvement already seen on meters cleaned this year!!!

That's more than 10 BUSHEL/acre! At 500 acres, even at \$3 corn—that's \$15,000!

What other investments and expenditures are giving you that kind of return?

Our regular customers consistently see better results each year, simply by having this routine preventative maintenance performed. You should, too!

Bring your planter meters in or call one of the numbers below, we'll help you get off to a great start in 2017--

WHERE: 900 W. Main St, El Paso, IL - Call toll free 800-322-7156

---In Western IL---Chris (309)621-5400 In Central IL---Andy (217)670-4435

OUR GUARANTEE

If we can't show you an improvement in meter performance, your cleaning is on us.

What else could you do to get 40...90...150...500...1200x return on investment!?!
